# Myth one about Maui

Some people say Maui made N.Z Now I will tell you the story. A long time ago Maui and his brothers went on a fishing trip. His brothers were mean so they were saying you can't get a fish. But Maui then got his grandmothers jaw bone and threw it in the sea and said a Karakia then he pull a fish. He then ran off to go do something and left his fish. His brothers were saying let's go and say we got this fish. But the god of wind heard this and turned the fish into stone and that's how NZ was made.
